# Logan County Fair

## A FAMILY TRADITION

*New* THIS YEAR!

**WHAT:** LOGAN COUNTY FAIR  
DAIRY BEEF FEEDER SALE

10 a.m. Thursday, July 13,  
near the dairy barn.

Dairy beef feeder calves exhibited at fair are being offered for sale to producers.

This is not through the premium sale at the fair. Buyers will have ownership of calves to take home between 6 and 9 a.m. Sunday, July 16.

**WHY:** To receive a fair market value for exhibitors, who will still have the opportunity to take calves through the Junior Fair Premium Livestock Sale. The premium price received by the exhibitor at that auction will be added later. You will only pay the price bid at the Thursday sale.

The calves will have been vaccinated and vet checked.

Your admission to the fair for Thursday, July 13, will be refunded in the secretary's office with auction sale number.
